APRA EUROPEAN SYMPOSIUM 2021 30 NOV - 02 DEC 2021, PRAGUE, CZECH REPUBLIC

LET'S MEET DURING THE ONLY LIVE, PURELY REMANUFACTURING EVENT IN EUROPE IN 2021!

We are delighted to invite you and your team to another edition of the well-known APRA European Symposium still this year.

It takes place 30 Nov. – 02 Dec. 2021 in the beautiful city centre of Prague, Czech Republic.

SAVE THE DATE, because this will be a unique opportunity to finally meet again – physically - with business partners and experts to advance your business and make new contacts.

You can expect manifold networking opportunities as well as high class presentations and latest business insights from leading experts. You can also visit benchmark remanufacturing plants from Knorr-Bremse and ZF. Get excited for the announcement of a new member of the APRA Europe Hall of Fame.

To make sure you and your team can participate, you can already indicate your interest, without any commitment. You will receive further information as soon as available.

Send a message to: info@apraeurope.org

Looking forward to meeting you in Prague!
